

Battery Program

We at Orio are proud to offer a battery program to you, our valued customers.

Exide offers the most extensive line of automotive and light truck batteries in the world with sizes and power levels to fit 97 percent of vehicles on the road today. Whether you exclusively service Saab or if you also service economy cars, luxury sedans, classic muscle cars, trucks or anything in between, Exide and Orio offer a Battery Program that will work for you.

Program Features

- Premium Products – Positioned for Future Market Demands
- Highly Competitive Pricing (See Page 4)
- 36 Month Full Warranty (Sprinter Max) – No Pro rata
- 24 Month Full Warranty (Sprinter) – No Pro rata
- Nine and Twelve unit stocking assortments (predetermine or customized), based on your needs.
- Nationally Accepted Warranty
- Meet or Exceed OE Specifications
- Battery Tester Programs Great
- Consumer Promotions Marketing
- Materials and Displays
- We are offering Sprinter & Sprinter Max but also Marathon series are available for purchase

Program Details

- All OSC locations will be given their Exide servicing branch location, contact information and delivery schedule.
- The minimum for stocking assortments is nine (9) units.
- Exide will handle the physical set-up and review the program with your team.
- The minimum weekly order quantity for batteries is five (5) units.
- Batteries are delivered weekly
- Orders can be generated by either Exide Technologies via our weekly telemarketing process or the account can call / fax / email orders to their servicing Exide branch for processing. If telemarketing is selected, the locations will be tele marketed 48 hours prior to the delivery day.
- Battery Finder <https://www.exide.com/us/en/exide-battery-finder/automotive>

To Participate

- Fill out registration form and email to:
